SUBJECT: SLOVENIA: CI/KR RESPONSE FOR S/CT

REF: STATE 006461

11. (U) Post has determined that there are no/no critical infrastructure or key resources (CI/KR) in Slovenia (as defined in para 4 of reftel) which - if destroyed, disrupted or exploited - might have an immediate and deleterious effect on the security, national economic security, national public health or safety of the United States.

12. (U) Per reftel, para 12, Post submits the following responses:

--Is critical infrastructure protection, physical and cyber, a priority interest for your host country? Yes.

--Is there a national plan, or plans for various sectors, to assess and protect critical infrastructure? Yes.

--To what extent are you (Post) engaging other governments and organizations on critical infrastructure/key resources issues? Post is engaged on a regular basis with the GOS on these issues.

--Does your host country manufacture or produce key assets or resources critical to the U.S.? No.

--Does your host country contain key telecoms hubs, network operating centers, financial clearinghouse that support the U.S. economy? No.

13. (U) Post point of contact for this CI/KR survey is RSO Teresa A. Teno, IVG 762-5619.
